For loved ones of men and women who are incarcerated

MAY 5-7, 2017

Kairos Outside of Eastern Wisconsin is a local program under Kairos Prison Ministry International (KPMI), whose purpose is to demonstrate God's grace and love through Christian support for women who have relatives or friends who are, or have been incarcerated. In a safe and loving environment, it gives women an opportunity to interact with other women who are in similar situations, to learn how to form small groups of support, thereby giving them strength in their life.
